

DR. AKSHAY CHAUDHARI

Qualification: BPT

Designation: Tutor cum Clinical Physiotherapist

Description: Dr. Akshay Chaudhari is a Physiotherapist currently working as a Tutor cum Clinical Physiotherapist more than 3.5 years.

He completed his bachelor's degree from Sardar Patel University in 2019.

He worked for musculoskeletal, neurological and cardiothoracic conditions for 3 years in a private clinic and hospital setting where he made patients do ADLs independently to involve in their recreational activities.

He is more interested in the cardiothoracic field. He works for a wide range of patients in cardiology, and cardiac surgery - adult and pediatric patients from hospital admission to discharge with ergonomic advice.

He works in the Cardiac ICU, Step Down Cardiac Ward, Medicine, and Surgery ICU where he handles acute and chronic patients in consultation with senior faculties for 1 year.

He has published one research article in the International Journal of Science and Healthcare Research, contributing to the field of physiotherapy and clinical research
