Dr. Brijesh Acharya is an Assistant Professor at K.M. Patel Institute of Physiotherapy, Bhaikaka University, with over 5 years of academic and clinical experience. He holds a Master's degree in Physiotherapy (MPT) with specialization in Cardiorespiratory Conditions and Intensive Care, and is currently pursuing a PhD focusing on conservative care for cardiac diseases.

He has delivered expert talks and presented research papers at various state and national conferences. He has 3 peer-reviewed publications and holds a copyright for a clinical protocol related to cardiac disease, registered under the Government of India.

His core areas of interest include the management and rehabilitation of patients with cardiac and pulmonary conditions, as well as intensive care unit (ICU) physiotherapy.

He holds STAR Physiotherapist (Patient care) award 2024
